Aches

of some kind are the heritage of nearly every one, from the infant and the child, the middle aged and the distressing, miserable headaches, to the aged with nervous, muscular and rheumatic pains.

A remedy to relieve in all cases must be founded on the right principle, and that accounts for the wonderful success of

Dr. Miles' Anti-Pain Pills

They never fail to cure all cases of pain, because they treat the Pain Source, the nerve. By soothing the irritated nerves they lessen the tension, build up the strength, set the blood coursing through the veins and thus allow all pain.

"Periodic headache, that unfitted me for business several days at a time, has been my life experience. I found first relief in Dr. Miles' Anti-Pain Pills, and since then I invariably ward them off by taking a pill when I feel them coming on."

USE OF PIANO FREE

The F. G. Smith Piano Co. Offers

to Loan a Piano Free for 6 Months

FOR EDUCATION OF CHILDREN

Who Desire to Learn Music Without Any Expense to Parents.

The remark is frequently made by parents to our salesmen, said Mr. Van White, the president of the F. G. Smith Piano Co., 1225 Pa. ave., that if they were sure their children would take an interest in music they would be glad to buy them a piano. As it is they desire to do so to the expense unless they could feel certain the children would appreciate having the piano.

For the benefit of these parents and others who desire to give their children a musical education we make this special offer. We will loan them the use of a good square piano free for six months, so that they may see the advantages of having a piano in the house and find out whether their children will be interested in music before they buy a piano. There is no obligation incurred by our plan—you are welcome to the use of the square piano free for six months, and all we ask you to do is to pay for the hauling. A number of parents have already availed themselves of this offer. We still have quite a choice of instruments remaining to loan out on this plan. These include Bradburns, Knabes, Chickering and many other leading makes of square pianos; all in good condition, ready to be delivered to your residence at once.

Water Trough Repaired.

The watering trough at the foot of 14th street southwest, at its junction with Maryland avenue, has been repaired, and yesterday was filled with water for the first time for a week or more. Could horses and mules talk the animals that used it yesterday would surely have asked blessings on the heads of those who put the trough in working order. About ten days ago a string of freight cars, backed up by a sliding jumped the track and ran down upon the trough, breaking the water pipes that fed it. As the trough was the one that was used by the heavily-laden truck wagons and other teams coming across the Long Bridge from Virginia, its absence was a great deprivation these hot days. Now that it is fixed there is great rejoicing among the animals that make daily trips from Virginia to this city.
